Post Funeral Buffet Menu

Information

We understand that to give us a firm idea of the number of people attending is difficult; Please bear in mind that we cannot supply extra food on the day so it's important to order enough food to cover all guests.

We will require a confirmation of numbers and catering arrangements at least three days beforehand.

Full payment is required before the event

Both of our suites have fully stocked bars. If you would like to arrange a free bar; monies will need to be paid for the amount you wish before the day. Any money left over will be refunded to you, by cheque, within 14 days after the event. It is possible to 'top up' the free bar when it is running low or to change over to a pay bar.

Our buffet menu works as a guide; should there be something you require that is not shown, please ask our catering team and we will endeavour to make it happen.

Chigwell Hall

Wakes are managed with compassion & understanding at Chigwell Hall.

Our experienced staff will help arrange the funeral reception to our clients' needs.

We have a number of catering options available & we offer free room hire.
